During his yearly visit at Trinity College, Cambridge, David Jones (voiceteacher.com) will work with seven singers of different abilities and a varied range of voice types.

During the class, David will explain the concepts of the Swedish-Italian School of Singing Technique as used by singers such as Kirsten Flagstad and Jussi Bjoerling.

There will also be a question-and-answer session at the end.

The class is beneficial to singers and teachers of all abilities.

Audio recordings are allowed. Strictly NO filming nor photography in the OCR.

Seats are limited. Reservations recommended. Your reservation will be confirmed via email.
